

Faculty Laptop Receipt Acknowledgment

I, **Jazmyne Balistreri**, acknowledge receipt of a laptop from Emily Carr University with the serial # **7fee6a4f-1f85-3b01-aca5-cd2c64ab2ce4** and asset tag **A00PDF**.

I will return the laptop promptly to the University upon employment termination. Laptop leases are 4 years in duration. I will return the laptop to the University promptly after receiving a laptop return request in the year the laptop's lease is expiring. I understand that I may be requested to briefly return the laptop for administrative or technical reasons.

COST

The program covers the full cost of the base model we offer. Laptop models that incur additional charge, I here by agree to pay them out of payroll deductions over the course of the next year.

CARE

I will handle the laptop with due care and take precautions against possible damages. The leasing company will accept returned end of lease laptops with "normal wear and tear" defined as:

- Faded lettering on keyboard
- Minor scratches on cover or base
- Minor scratches on monitor screen
- Removable ECUAD labels or tags.

Normal wear and tear does *not* include:

- Broken hinge or latch
- Cracked lid or frame
- The addition of non-ECUAD stickers, labels, or tags
- Missing or broken components (power adapters)
- More than minor scratches to the screen or case

PHYSICAL SECURITY

I will take precautions to reduce the possibilities of theft. I will not leave the laptop unattended in a vehicle, and will consider security and take precautions when I leave the laptop unattended. I will promptly notify my Dean (or Supervisor), Facilities, and the Information Technology Service's Help Desk if the laptop is missing or stolen. If the laptop is stolen, I will file a police report and provide Facilities and ITS with a copy of the report.

DATA SECURITY

I will take precautions to encrypt sensitive information on the laptop. Generally,

information that has the potential for privacy concerns or could negatively impact the University's security, reputation, and business should be encrypted on your laptop.

SECURITY THREATS

I will not disable or alter the laptops configured anti-virus software. I will not disable the laptops configured operating system updates. I will regularly check for operating system updates. I will regularly acknowledge and proceed with the installation of operating system updates. I will contact ITS with any concerns regarding the anti-virus software, operating system updates, or any other security related issue.

SOFTWARE

I will abide by all software license agreements associated with the software installed on the laptop and/or provided to me on media. I will not install unlicensed software on the laptop.
